

Purpose: Brooks Public Library's Volunteer Program creates opportunities for individuals in the community to experience personal satisfaction while performing valuable service. It serves as a method for area residents to become familiar with Brooks Public Library, and supplements the efforts of paid library staff.

1. A volunteer is a person who performs tasks for Brooks Public Library without wages, benefits, or compensation (including travel expenses) of any kind.
2. Prospective volunteers must fill out a Volunteer Registration Form, which may include a Criminal Record Check.
3. Library Volunteers will not supplant or displace established staff positions but rather are delegated tasks that complement and enhance library services.
4. In acknowledgement of their invaluable contributions, volunteers are given appropriate orientation, training, and recognition.
5. The recruitment, training, supervision, and dismissal of volunteers are the responsibility of the Library Director or designate.
