What is TIC-TAC?

A council of teen volunteers who are in grades 7 - 12. TIC-TAC stands for "Teens Initiating Change - Together and Committed". TIC-TAC's mission is to help the library become a more inviting, appealing place for teens, and to enhance teen library services and programs in the community.

What do TIC-TAC members actually do?

- attend meetings once a month
- plan teen programs
- attend some programs and assist in preparation and clean-up
- help recruit new TIC-TAC members
- advocate for teen and library services
- enhance and update the library collection for teens
- create partnerships between TIC-TAC, the library, and the community

Why should I join?

- have your ideas matter and make a difference in the community
- learn new skills and leadership roles
- enhance resume, college applications, and scholarship letters
- promote literacy and help others
- meet new friends and have fun!

Okay... any other requirements? How do I join?

- new members are invited to join in September of each year
- you should:
 - be in grades 7 - 12, up to and including age 19
 - have a library card
 - be able to spend about 7 hours a month with TIC-TAC
 - enjoy working within a team
 - be interested in the library & improving library services for teens
- fill out an application form and give it to library staff!
